

**Join us for the
2011 Vancouver Island Exhibition Commercial Expo**

Our fair theme for 2011 is “Fun for the Whole Herd”.

Excitement is in the air, with approximately 24,000 people attending our three day event in 2010, participation will be sure to give you an opportunity to display and sell your unique products and services to a large captive audience. No event on Vancouver Island can provide this much exposure at such a reasonable price. The event of the year brings the community together.

Located in the Cliff McNabb Arena the Commercial Expo will be center to the action. To secure a booth and/or for more information, contact John Bruce, Commercial Expo Co-ordinator, at jbruce@viex.ca or by phone 250-616-3353.
